ANNUAL REPORT (2020 -2021)

ANNUAL REPORT (2020 -2021)

Our achievement and accomplishments for the academic year 2020-2021 are as follows....

The Academic year 2020 -2021 was totally a different as there was curfew from the beginning of the session. Even then we have done our best to keep teaching and learning process very lively through online classes with full dedication and very vibrant.

The school opened for the academic year 2020-2021 on 28th of May by online mode, we started sending worksheets and assignments from April 2020. We committed in getting outstanding results in class 10 and 12 and thus we have followed following strategy in the last academic year.

We have created whatsapp groups for every class to connect students for the learning activities like sending worksheets, home works, assignments and online class links. Important messages were sent by SMS to the parents. Proper schedule was arrived for online classes without overlaps and meticulously followed.

Morning and evening special classes were held.

Daily tests were conducted and the progress was monitored on regular basis.

Many practice examinations, revision examinations, model examinations were conducted to give ample practice for board examinations.

We have secured 100% pass in both Senior Secondary as well as Secondary examinations. The following students were the shining stars in the Path sky as they have shown outstanding achievement in CBSE board examinations.

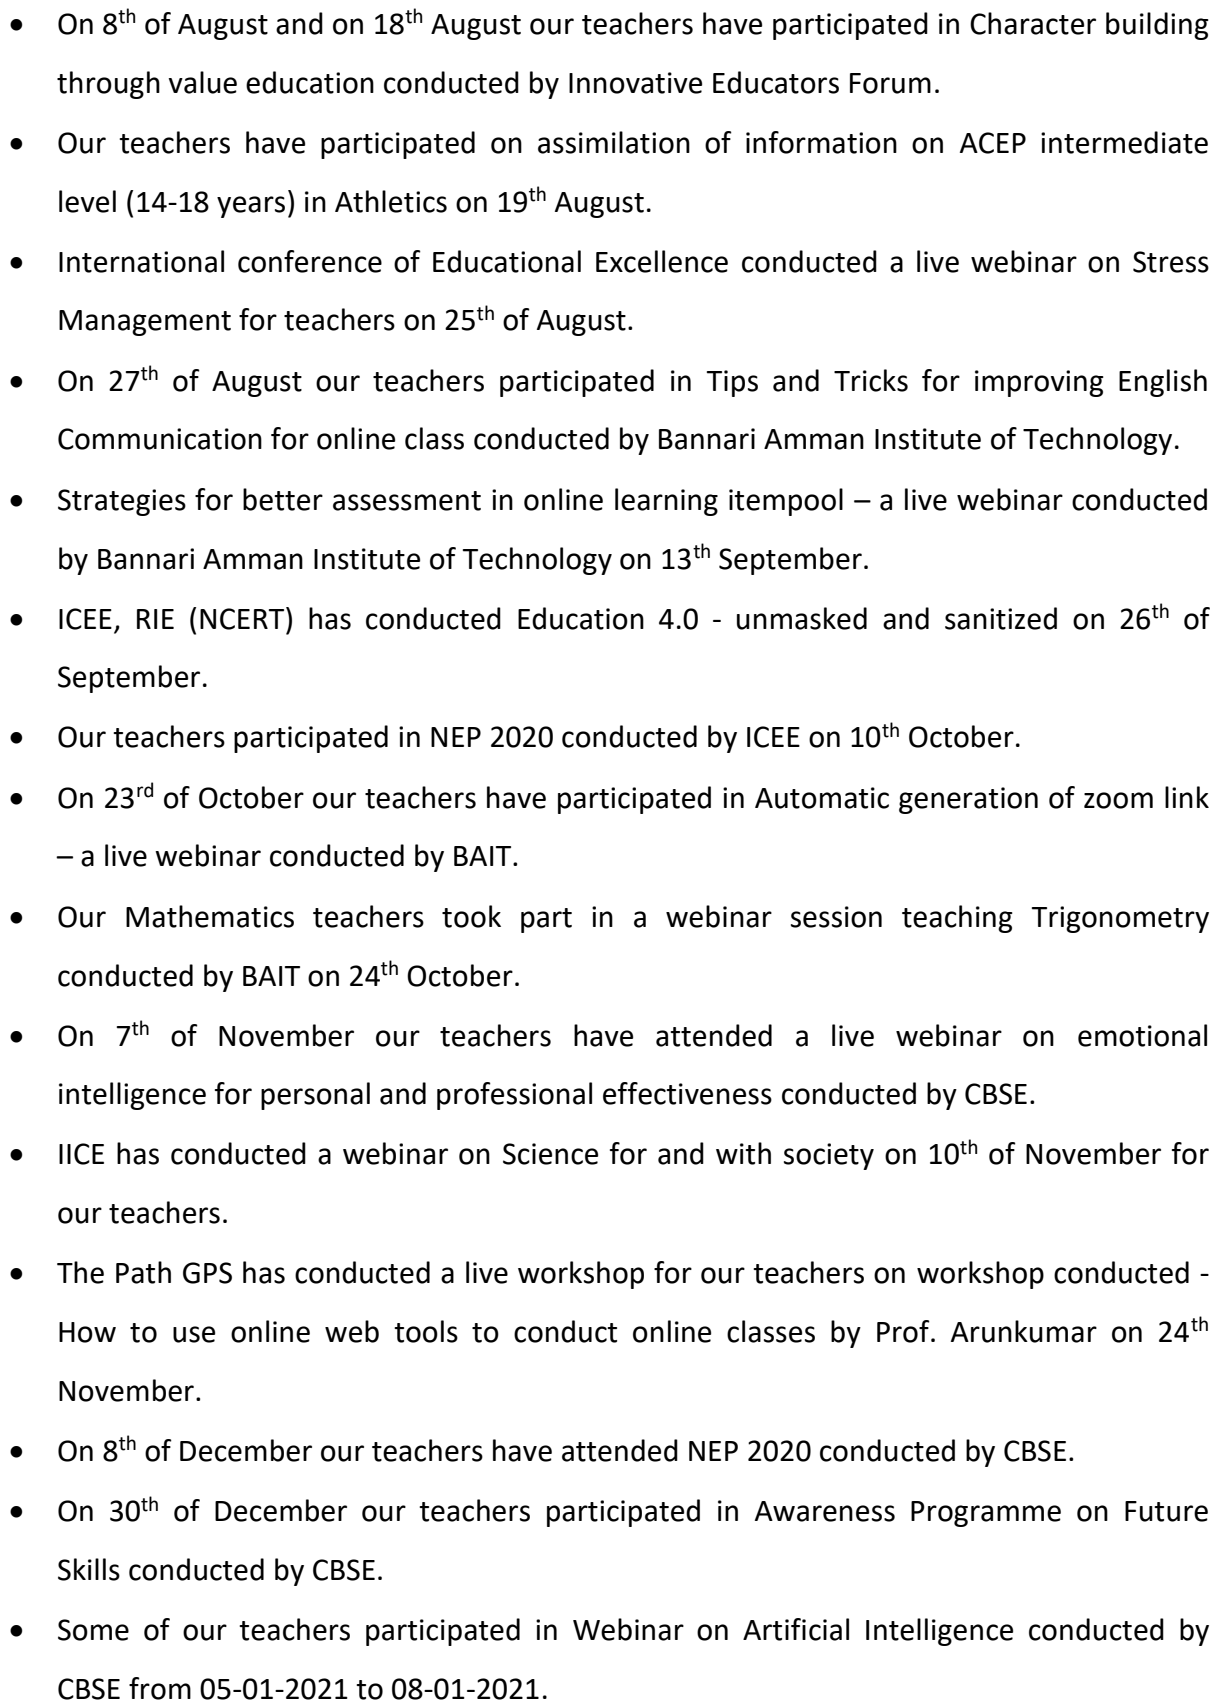

The toppers in AISSCE for the academic year 2019-2020 are Dhakshana Moorthy, Sharfunisha, Shobika, Nithish Aarya and Kapil Sharan form Science stream and Saikripa, Rupak Kumar, Abirami S, Abirami M P and Deen Prasanna Jasper George from Commerce stream.

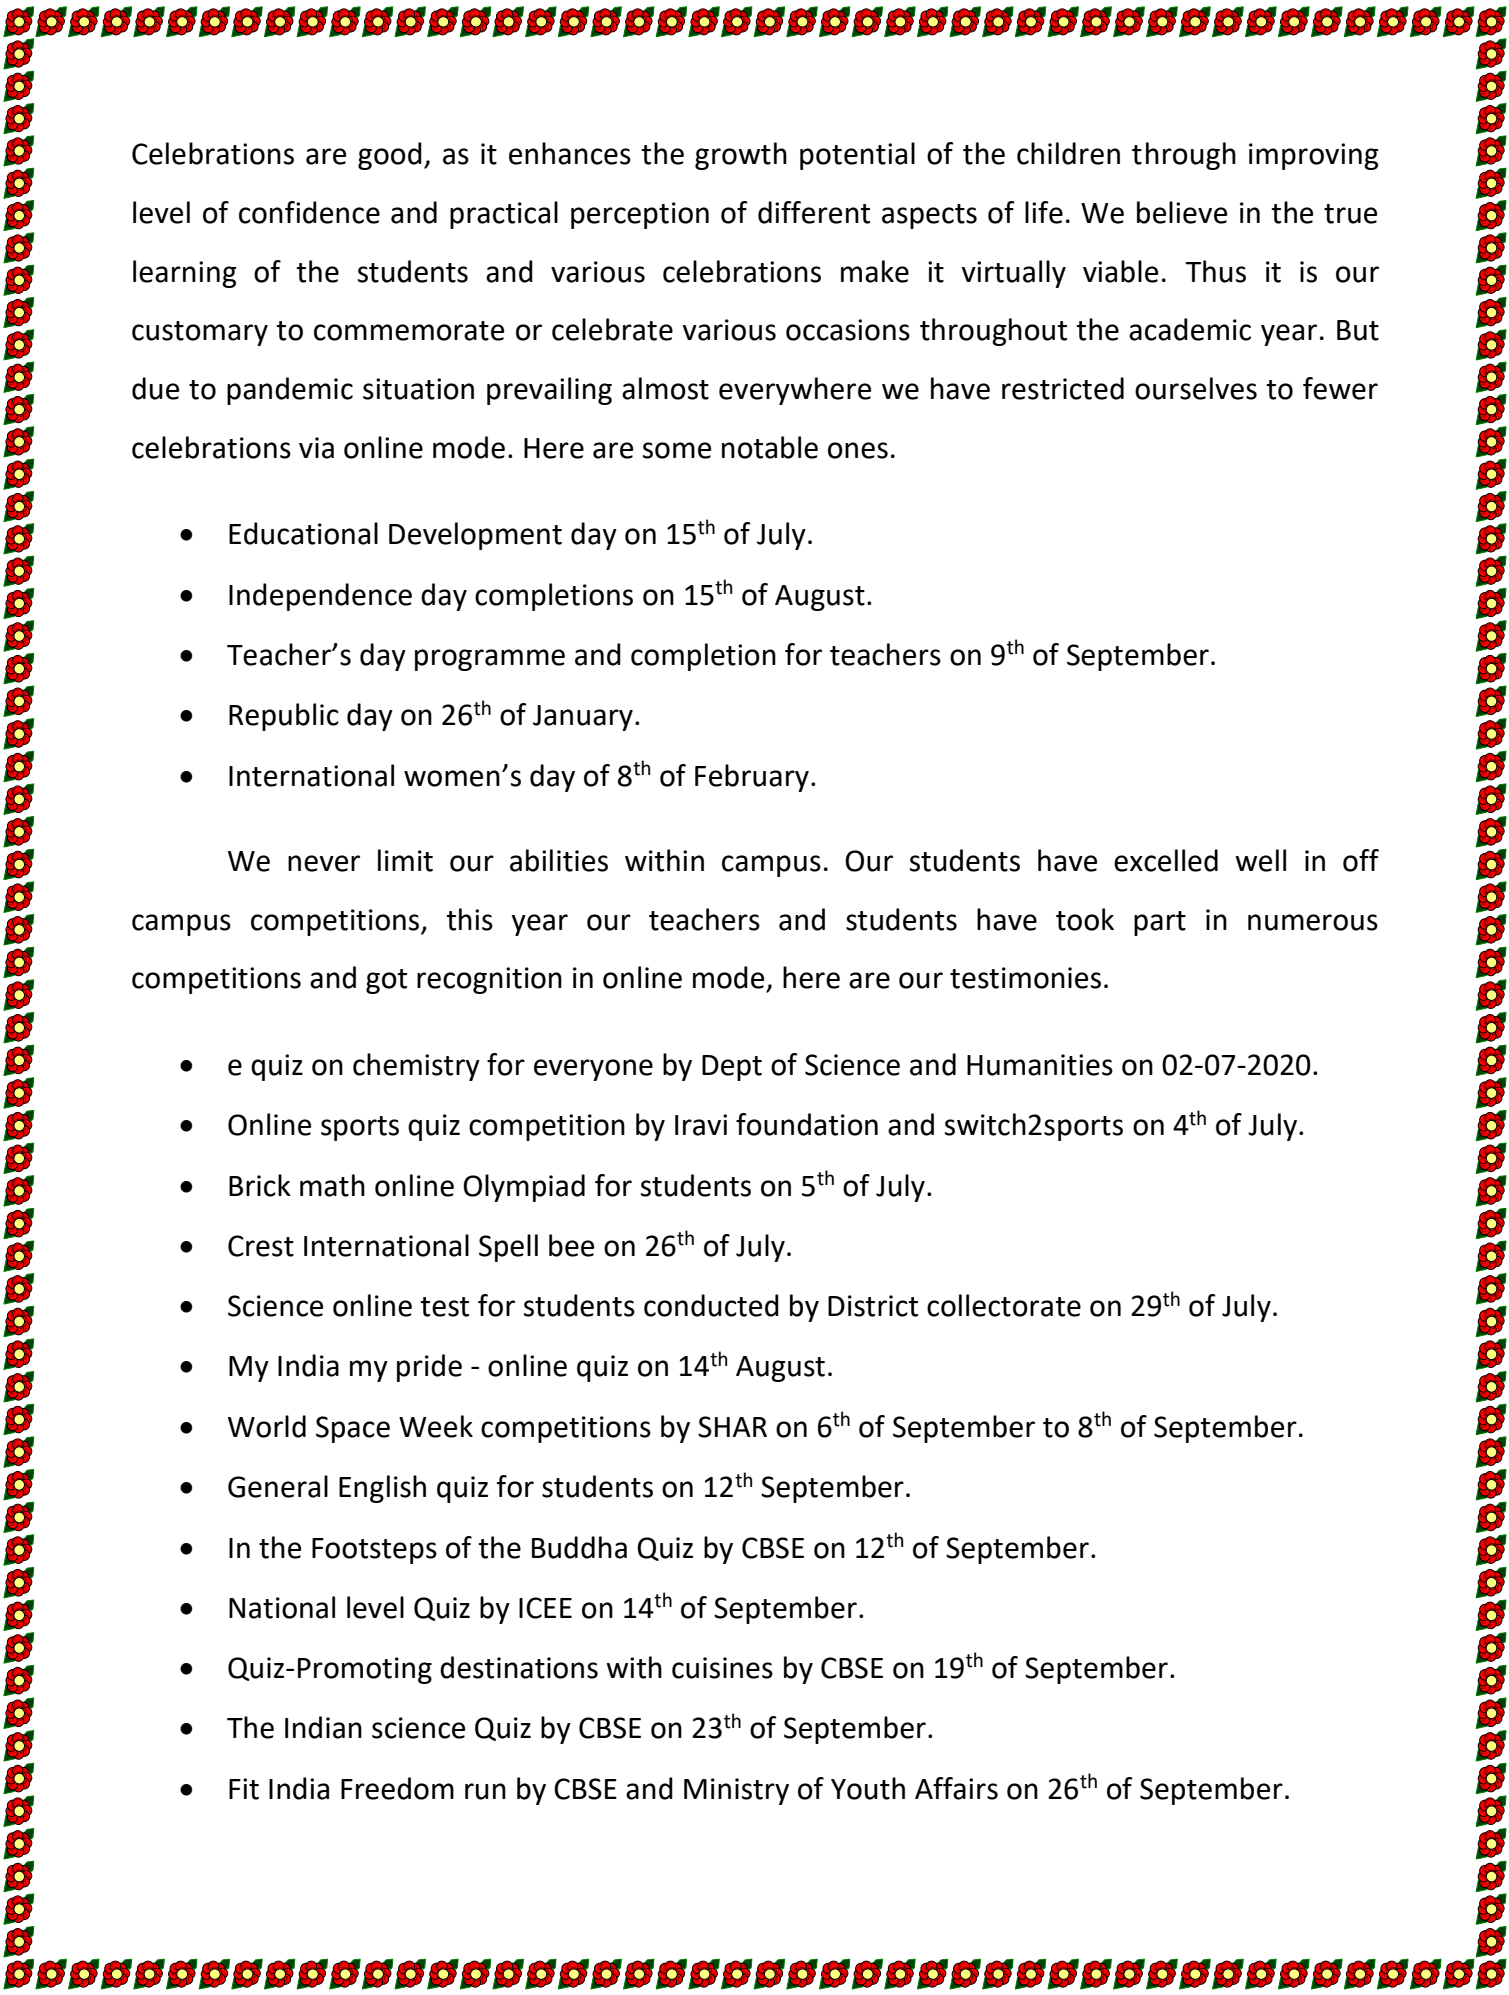

The toppers in AISSE for the academic year are Kumutha Kumar, Hema, Nusrath, Elakkiya and Pradeep.

The PATH GPS family comprises of 51 numbers of well trained, experienced, dedicated teaching staffs and 6 numbers of Administration staff and 63 numbers of bus drivers and care takers. Apart from the various scholastic subject teachers, we have a team of enthusiastic coaches and trainers for extracurricular activities. Totally the school enjoys 120 numbers of human work-force rendering their selfless service to the cause of education.
