Message from Chairman

Dear Staff Members and My Children,

Educational Institutions all around the world are undergoing a critical transformation and I am glad that our institution is also keeping pace with such a revolution. I am very glad that our well qualified and experienced Staff Members help the students to acquire knowledge using the infrastructures like Laboratories, Library and transform the student into qualified and be competent with any other student colleague from the premier institutions. I am sure we will improvise quality in all aspects and soon emerge as a pioneer institution in our region.

Your exams are coming shortly. Give your best. Good scores sometimes might not matter during your school days but will definitely make a huge difference in your life and career in the long run. My best wishes to all the students for their Public Exam and a bright future.
